

4th ISTANBUL HONEY & BEE PRODUCTS EXHIBITION

4th Istanbul Honey & Bee Products Exhibition has been organized between 24-26 February, 2017 in Harbiye Cultural Center. Event was hosted by Turkish Association of Beekeepers and organized by TeamCon.

In 3 days nearly 20.000 people visited the exhibition. In the lower floor of the venue beekeeping equipment companies had their booths and in the upper floor, people of Istanbul had chance to shop the honeys from all around Turkey.

Nearly 90 companies, institutions, associations participated in the exhibition. Turkish Professional Chefs Association was also a part of the organization, chefs of the association made workshops and prepared special tastes made with honey.
