

5th API-EXPO AFRICA 2016

Local Organizing Committee of the 45th Apimondia Congress participated in the “5th ApiExpo Africa 2016” which has been organized in Kigali Conference and Exhibition Village – Rwanda between 21-26 September, 2016.

This biennial event themed “Driving socio-economic transformation in Africa: the role of commercial beekeeping” has attracted several national, regional, continental and global level researchers, policy makers, honey trade support networks (private, public, NGOs), development partners, media, and other stakeholders on a single platform to discuss and share knowledge on trade and business related approaches.

President of Turkish Beekeepers Association Mr. Ziya Sahin has made a speech during the Gala Dinner of the Event. First announcement of Apimondia 2017, Istanbul bookmarks, postcards, ApiEXPO Brochure and small gifts has been distributed from our booth.

Minister of Agriculture and Animal Sources of Rwanda, Dr Geradine Mukeshimana has also visited our booth to taste the Turkish Delight.

The booth was shared with “5th International Mugla Beekeeping & Pine Honey Congress” which will be organized in Oludeniz, Fethiye between 1-5 November 2016.
